

PARENTS: DID YOU KNOW?

Did you know that praying can be just as fun as playing? Here's a fun outdoor activity to do with your kids. This scavenger hunt can be used in the backyard, on a walk around the block, or even on your favorite hiking trail.

With small children, you can enjoy this hunt together. If you have children that can read, then they can easily take this with them outdoors and get started.

This activity is packed with playing, praying, teamwork, exercise, and fun! It's the perfect way to practice the presence of God together.

Afterwards, say a sweet little prayer to thank God for all that you have found today.

SEE IF YOU CAN FIND ALL THESE ITEMS?

Check them off as you go.

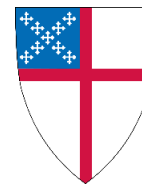

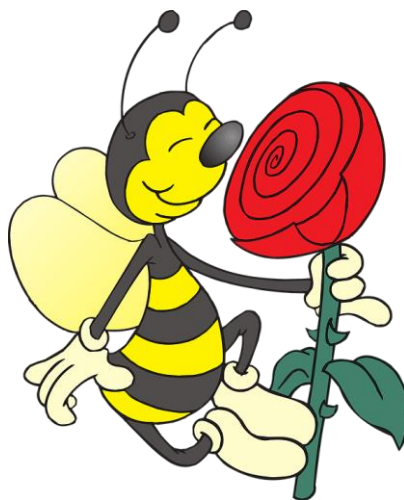

Find something funny that God has made.

PRAYER AT THE END OF THE WALK

Christ within us,
Light above us,
Earth beneath us,
Love surrounds us.

Find something under your feet that God has made. Is it soft, hard, crunchy, slippery, or soft?

Find a leaf that reminds you how creative God can be.

Find two sticks and make them into a cross.

Find something that God made that is alive.

Find something colorful that God has made.

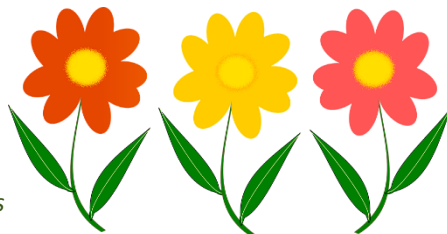

Find a bird that is singing to God.

After you are done, you can thank God for everything He made that you found today!

Find a flower that smells good.

Can you see the sun?

Can you feel the wind?

Can you see the clouds?
